

FAG

Paint mist extraction system for extracting the toxic, harmful mist at painting workstations

- ▶ Ideal for woodworking companies, joineries/ carpentry workshops and the trades in general
- ▶ Highly efficient air purification with high separation efficiency
- ▶ Mobile device for use at various locations in the workshop
- ▶ Easy handling
- ▶ Certified for ATEX Zone 2
- ▶ Long filter service life
- ▶ Delivered ready to plug in

Model		FAG 1	FAG 2	FAG 3	FAG 4
Article No.		5134001	5134002	5134003	5134004
Technical data					
Volume flow min.		-	3000	3000	-
Volume flow max.	m ³ /h	4600	6800	6800	6800
Negative pressure max.	Pa	500	400 / 500	400 / 500	500
Filter area	m ²	1.0	1.0	2.0	2.0
Max. sound pressure level	dB(A)	72	67 / 72	67 / 72	72
Motor speed	min ⁻¹	1445	950 / 1440	950 / 1440	1430
Nominal size outside, suction nozzle outlet	mm	300	300	300	300
Axis suction nozzle to floor	mm	1405	1405	1405	1405
Length dimensions min./max. approx.	mm	1012 / 1897	1012 / 1897	1912 / 2971	1912 / 2971
Width dimensions min./max. approx.	mm	912 / 1135	944 / 1166	944 / 1215	943 / 1215
Height dimension approx.	mm	1405	1405	1405	1405
Rated motor power 400 V ~50 Hz	kW	1.5	0.75 / 2.1	0.75 / 2.1	2.2 kW
Weight approx.	kg	125	150	250	270

ACCESSORIES

Accessories	Article No.
Starter set	
Scope of delivery: 3 m hose, 2 hose clamps, collar with flange ring, cover flap for outer wall, Ø 300 mm	5140010
Fine filter for FAG 1 / 2	5140016
Fine filter for FAG 3 / 4	5140017
Volume paper for FAG 1 / 2	5140008
Volume paper for FAG 3 / 4	5140009
Pre-filter for FAG 1 / 2	5140014
Pre-filter for FAG 3 / 4	5140015

Accessories	Article No.
Volume paper filter: Pick-up frame with additional volume paper, pre-filter for hanging on the paint mist extraction system	
Volume paper filter for FAG 1 / 2	5140012
Volume paper filter for FAG 3 / 4	5140013
Suspension device for spray gun with automatic compressed air-operated exhaust air control via the throttle valve integrated in the paint mist extraction system. Scope of delivery: Stand, mounting bracket and mounting set	5140011
sprayable Teflon 400 ml	5140018
