HDT 1000 AS

Practical sanding table with dust extraction for dust-free work

- ▶ Enables dust-free sanding without an external extraction system
- ▶ Built-in fan for reliable extraction
- ▶ High suction power due to large filter surface
- ▶ Filtered air is recirculated - ensures clean air at the workplace
- ▶ Fold-away side sections for sanding longer workpieces
- ▶ Rubberised table pads prevent scratches on sensitive surfaces
- ▶ Pull-out dust collector at the front for easy emptying
- ▶ Compact design - ideal for workshops with limited space

- Large filter surfaces for dust-free working
- Quick and easy filter change
- The illustration shows the filters that are available as accessories for wood sanding.

Scope of delivery:

- Two filter elements for sanding wood
- Five metal table inserts with rubberised supports
- Six workpiece stops

Model		HDT 1000 AS
Article No.		5180010
Technical data		
Table dimensions (L x W)	mm	1000 x 545
Load capacity	kg	150
Air flow	m ³ /h	4000
Connection nozzle Ø	mm	140
Working height min.	mm	750
Working height max.	mm	810
Motor power	kW/V	0.45 / 230
Dimensions (L x W x H) approx.	mm	1000 x 545 x 850
Weight approx.	kg	66

ACCESSORIES

- Two filter elements for grinding metal
- Five stainless steel table inserts for grinding metal

Accessories	Art. No.
1 Conversion kit for metal grinding	5180060
2 Filter set for wood sanding	5180061
3 Filter set for metal grinding	5180062

- Funnel-shaped air duct to the extraction nozzle for uniform extraction performance

- Tool-free, mechanical height adjustment of the table can be easily set using hand screws

- Workpiece-friendly wooden support grid

- Metal support grid with rubber pads

- Pluggable stops for fixing the workpiece

Model	HDT 1500
Article No.	5180015**

Technical data	
Work table (L x W)	1570 x 1020 mm
Working height min.	735 mm
Working height max.	995 mm
Load capacity	300 kg
Recommended extraction capacity	1500 m³/h
Connection nozzle Ø	140 mm
Weight approx.	73 kg

TWB 1

Compact workbench, mobile, robust and versatile

- ▶ Solid worktop made of finger-jointed beech wood for maximum durability
- ▶ Precise front pliers with double guide rods and an opening capacity of 130 mm
- ▶ Ideal for mobile use - compact, lightweight (only 10 kg) and ready for use anywhere
- ▶ Quick and easy mounting on any table, thanks to clamping of the feet
- ▶ Includes four practical bench hooks for versatile clamping options in the 19 mm hole system

Model		TWB 1
Article No.		5102160
Technical data		
Work surface without clamp	mm	360 x 410
Panel thickness	mm	30
Max. load capacity	mm	40
Front clamp span	mm	130
Dimensions (L x W x H) approx.	mm	560 x 360 x 110
Weight approx.	kg	10

- Maximum flexibility for workpiece clamping thanks to the bench hooks supplied
- Picture shows accessories not included in the scope of delivery

- Ready for immediate use anywhere: simply clamp to any table top and get started straight away!
- Picture shows accessories not included in the scope of delivery

- Versatile in use
- Vice not included in the scope of delivery
