

- Funnel-shaped air duct to the extraction nozzle for uniform extraction performance

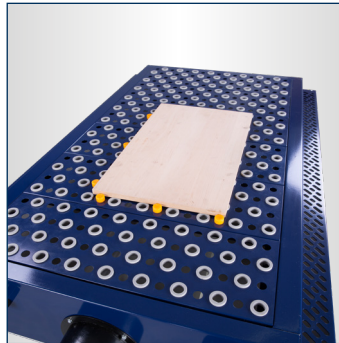

- Tool-free, mechanical height adjustment of the table can be easily set using hand screws

- Workpiece-friendly wooden support grid

- Metal support grid with rubber pads

- Pluggable stops for fixing the workpiece

Model	HDT 1500
Article No.	5180015**

Technical data	
Work table (L x W)	1570 x 1020 mm
Working height min.	735 mm
Working height max.	995 mm
Load capacity	300 kg
Recommended extraction capacity	1500 m³/h
Connection nozzle Ø	140 mm
Weight approx.	73 kg

TWB 1

Compact workbench, mobile, robust and versatile

- ▶ Solid worktop made of finger-jointed beech wood for maximum durability
- ▶ Precise front pliers with double guide rods and an opening capacity of 130 mm
- ▶ Ideal for mobile use - compact, lightweight (only 10 kg) and ready for use anywhere
- ▶ Quick and easy mounting on any table, thanks to clamping of the feet
- ▶ Includes four practical bench hooks for versatile clamping options in the 19 mm hole system

Model		TWB 1
Article No.		5102160
Technical data		
Work surface without clamp	mm	360 x 410
Panel thickness	mm	30
Max. load capacity	mm	40
Front clamp span	mm	130
Dimensions (L x W x H) approx.	mm	560 x 360 x 110
Weight approx.	kg	10

- Maximum flexibility for workpiece clamping thanks to the bench hooks supplied
- Picture shows accessories not included in the scope of delivery

- Ready for immediate use anywhere: simply clamp to any table top and get started straight away!
- Picture shows accessories not included in the scope of delivery

- Versatile in use
- Vice not included in the scope of delivery
